

EYECAN.

Childrens Voucher Scheme Terms and conditions

- The EYECAN Children's Spectacles Voucher Scheme ('The Scheme') is available to all children under 12 years of age, resident in Jersey and holding a JY identification number. The child must be under 12 on the date of the sight test to determine the requirements of the new spectacles.
- Each child is entitled to benefit from the Scheme once only in any 12-month period.
- Scheme vouchers can be redeemed against the cost of one pair of standard prescription spectacles issued at Participating Opticians only.
- The list of Participating Opticians can be found on the EYECAN website.
- Neither the Scheme nor EYECAN endorses the products and services provided by the Participating Optician selected.
- Scheme vouchers can be redeemed up to a value of £150 or the cost of one pair of standard prescription spectacles, whichever is the lower. Any additional costs must be met by the applicant.
- Vouchers cannot be redeemed against the cost of optical tests, sunglasses, non-standard lenses or other products.
- Once used, the voucher, even where the cost of the spectacles is less than the maximum, is considered spent and no further claim can be made against it.
- EYECAN reserves the right to reject a voucher or to withdraw from the Scheme.
- The information contained within the application will be held by EYECAN in accordance with the Privacy Policy contained within the EYECAN website.
- These Terms and Conditions shall be governed by and construed in accordance with the law of Jersey, and you hereby submit to the exclusive jurisdiction of the Jersey courts.

The Charity wishes to encourage all parents/ guardians who may experience financial barriers to seek eye care for children under the age of 12. To use an EYECAN voucher all you need to do is provide your optician with your child's JY number, date of birth and a contact email before ordering spectacles.

EYECAN will cover up to £150 towards the cost of one pair of spectacles.

This offer applies to children under the age of 12.

One application per child in any 12-month period.

Parent/ Guardian email addresses are required to validate claims but will not be used for further marketing.
